

MONTGOMERY

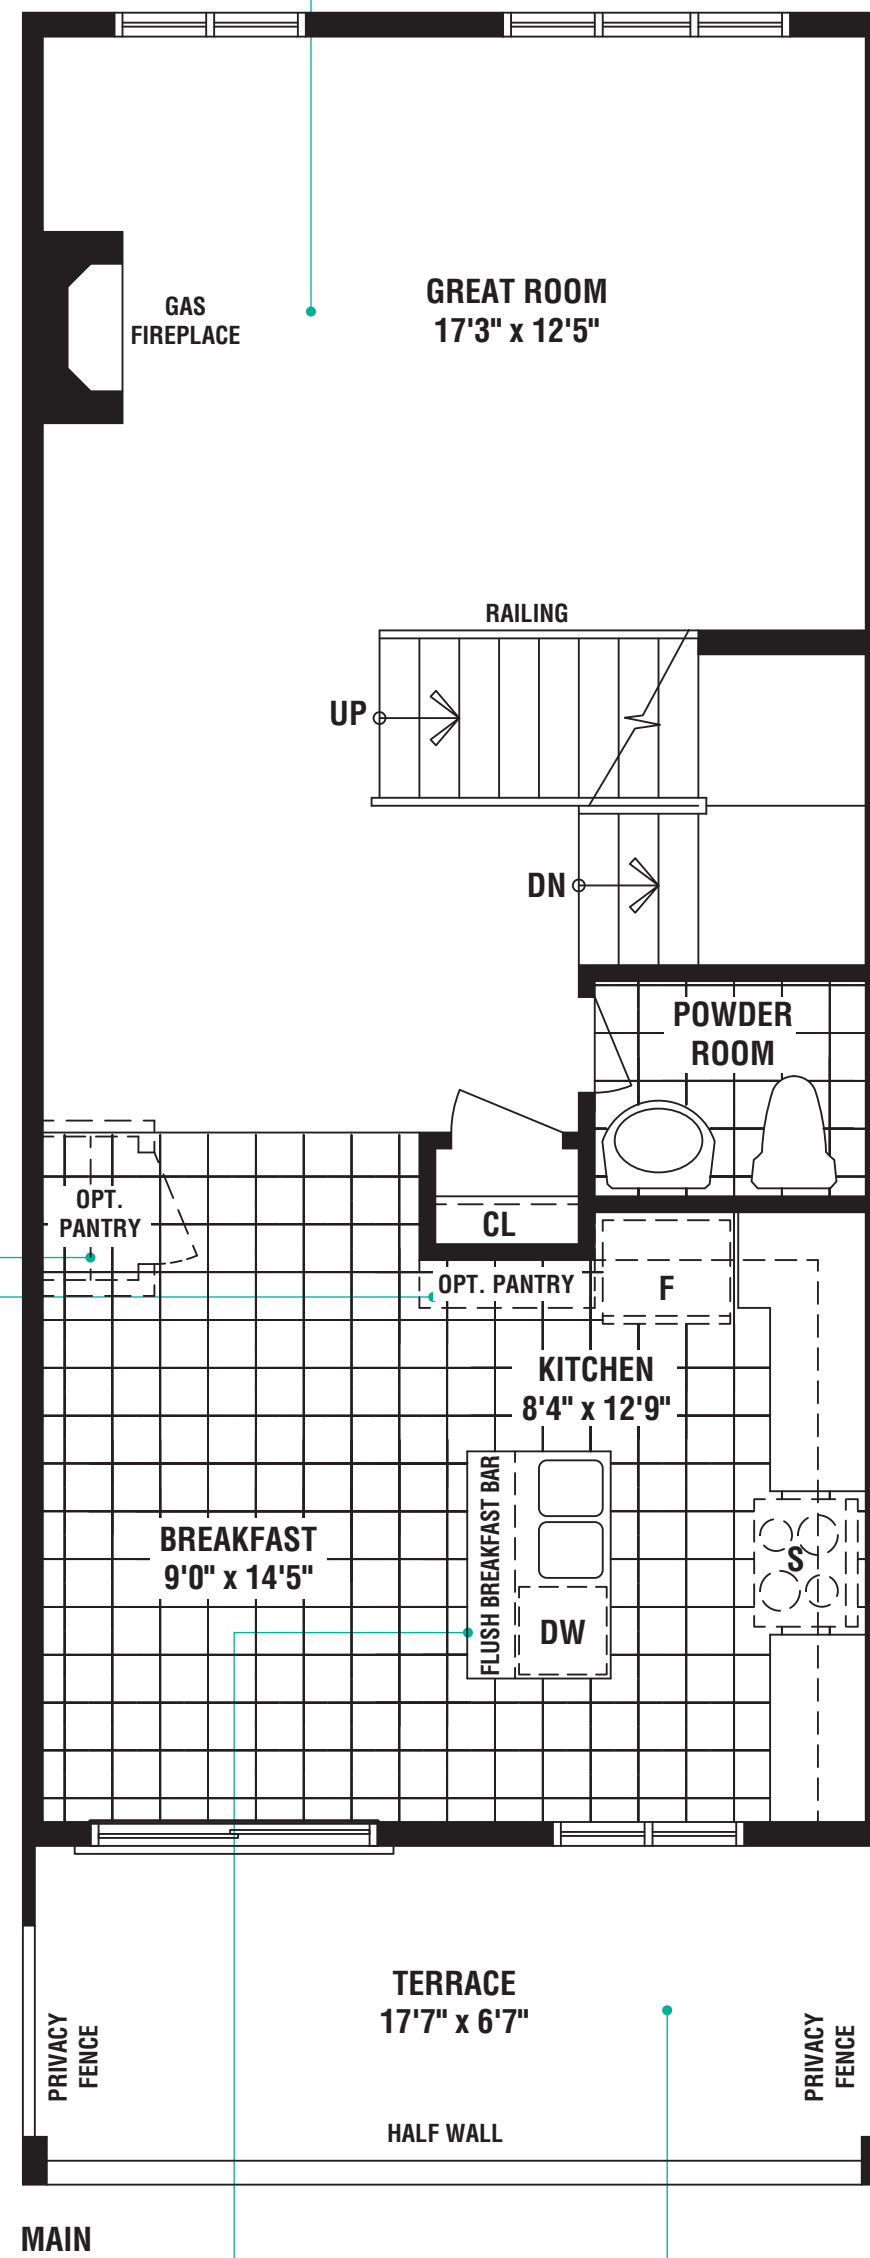

1897 SQ FT
2181 SQ FT WITH OPTIONAL FINISHED BASEMENT

A covered porch creates a sense of connection with your yard and all the wonderful nature that surrounds you

With two optional pantries available, your family can enjoy an abundance of kitchen storage space for all your mealtime essentials

On the main level, an expansive great room features a charming gas fireplace, and large picture windows, creating a wonderful space for your family to relax and enjoy some quality time together

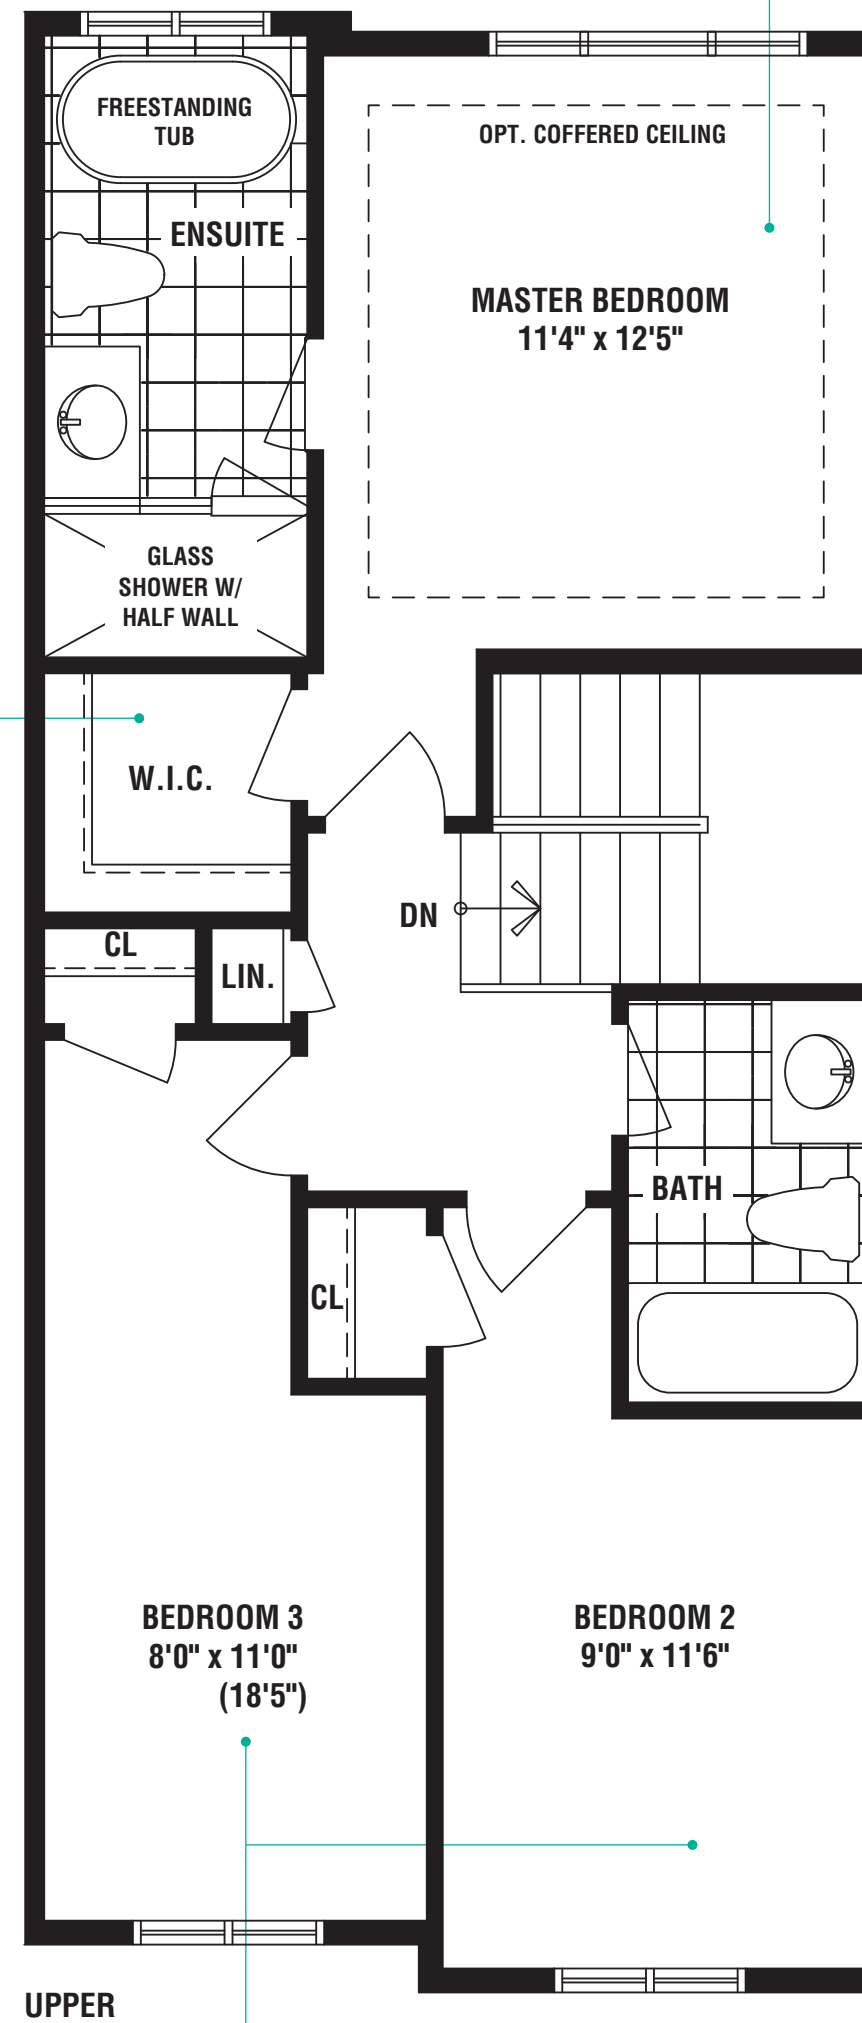

A generously proportioned walk-in closet is essential for any master suite

The large main level covered terrace is ideal for summer dining, entertaining and more

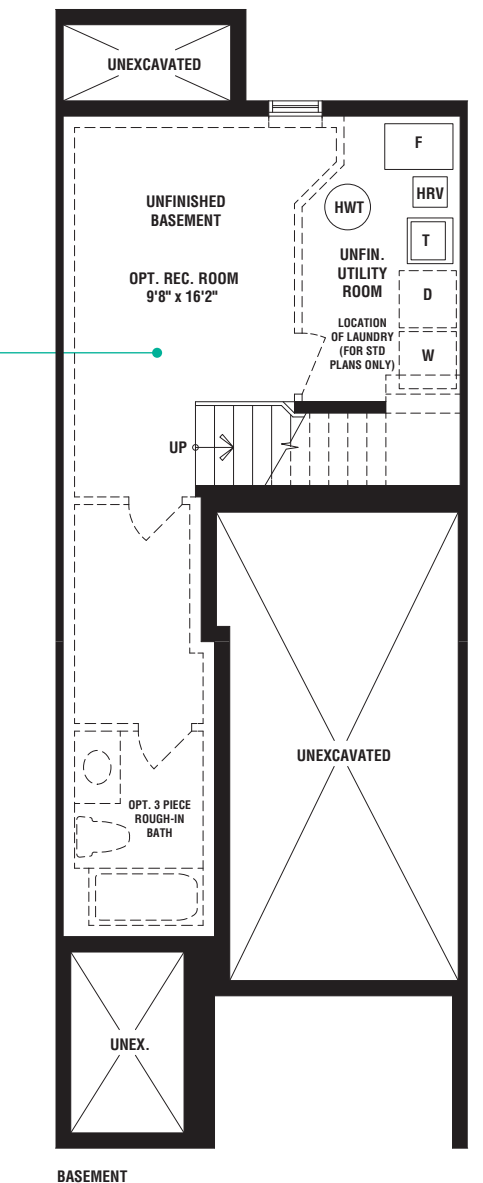

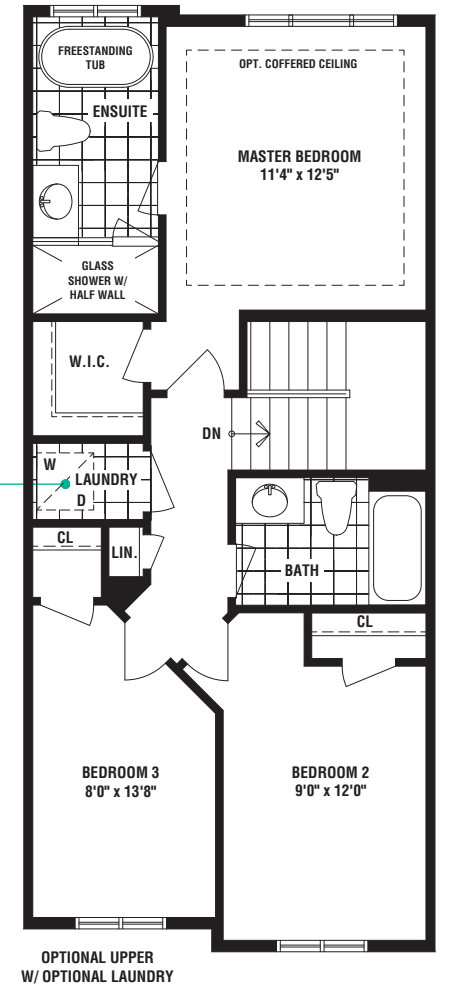

The flush breakfast bar is the perfect place to enjoy the most important meal of the day

Homebuyers in search of a lavish retreat will love this beautiful master suite, which boasts an ensuite bathroom that includes a freestanding tub and framed glass shower

There's plenty of space for the whole family with the spacious 2nd and 3rd bedrooms

The optional upper level laundry room makes doing the family wash a whole lot easier

An optional recreation room in the basement will give your family added space to play and unwind
