

THE HARVEST

Those in search a home of true style and sophistication need look no further than the stunning Harvest model. This is a striking townhome residence designed with the needs of today's families in mind. Choose from 3 elevations that feature double car garages, large windows and covered porches and range from 2080-2090 sq. ft. Inside the main floor offers a sunken mud room with direct garage access, a large sunken foyer, gourmet kitchen, dining room, great room and a conveniently located sunken powder room. Upstairs, homebuyers will enjoy the second floor laundry room, main bathroom and 4 spacious bedrooms. Of particular note is the master suite which features his and hers closets and private ensuite bathroom.

* Floorplan square footages are approximate and for Elevation A only. Features as noted above may vary across elevations. E.&O.E.
