Consider an optional rec room in the basement to add even more finished space. This space is ideal for use as a home theatre, home office, kids playroom or teen lounge.

This home features the option for a walk-up staircase that provides private access to the basement from the backyard.

A large front porch is an amazing spot to sit on a warm summer evening and appreciate the natural greenspace of Storybrook.

Your master suite is a beautiful retreat featuring a large walk-in closet, and ensuite with dual sinks and a freestanding tub.

Your convenient upstairs laundry makes it easier to stay on top of household chores.

The main bath includes a privacy door to keep the sink area open for shared use.

Those looking for more sleeping space can add a 4th bedroom to this plan. It's perfect for larger families, or anyone looking to add a home office to their home.
