Specifications and terms subject to change. E • OE - September 16, 2019

Purchaser shall have the right to select floor coverings, tile, cabinets and countertops, bathroom fixture and purchase upgrades from the vendors samples subject to their timely availability from the Vendor's normal supplier and provided that the same have not already been ordered for this house. Variations from vendors sample may occur in bricks, finishing material, kitchen and vanity cabinets, floor and wall finishes due to the normal production process. Steps where applicable, may vary at any exterior or interior entrance way due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The purchaser accepts these changes as necessary. When a purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected shall contain the features listed above. The floor plan shall be that plan illustrated in the Vendor's latest sales brochure for the model type purchase.
