A spacious open concept ground floor plan balances connectivity with separately defined living spaces.

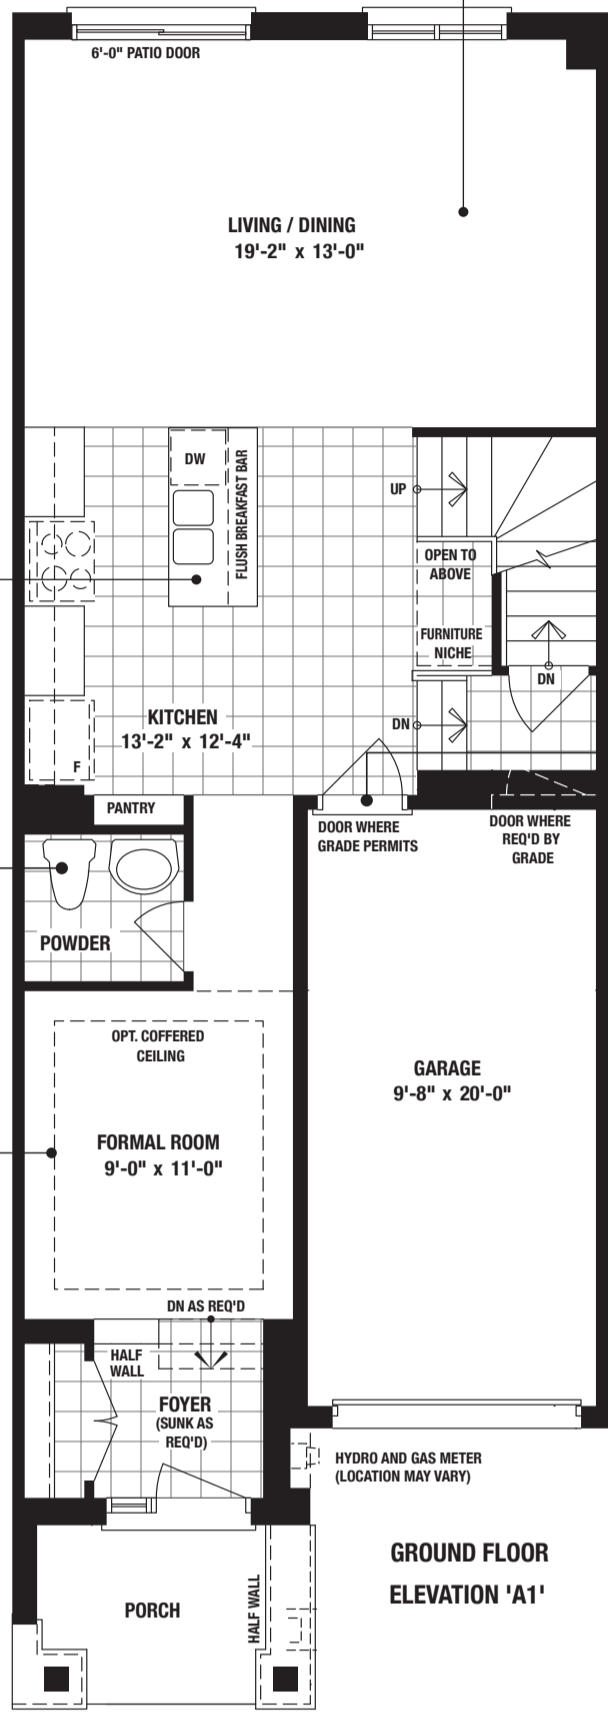

The spacious Master Bedroom offers plenty of room for a king size bed, so you can rest in style.

Double sinks in the Master Ensuite make it easy to share your washroom space.

The flush Breakfast Bar is the ultimate family-friendly gathering space in the beautiful designer kitchen.

A Powder Room on the ground floor is well positioned for easy access by your family.

An optional waffle ceiling in the Formal Room is a great choice to add even more sophistication to your space.

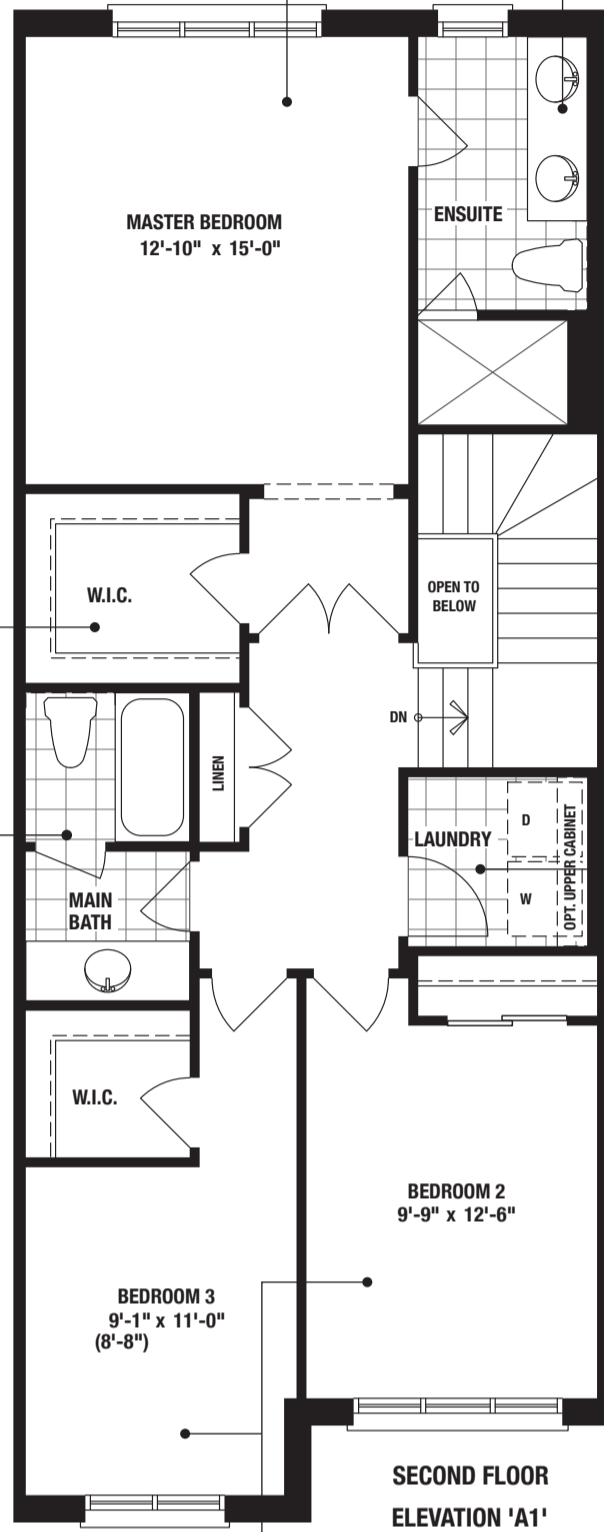

A large walk-in closet in the Master Suite provides ample space for two

Direct access from the Garage to the home is ideal for unloading groceries.

The Main Bathroom includes a private toilet and shower area, allowing for others to use the sink area at the same time.

An optional Recreation Room in the basement is a great way to add more space for your family.

A convenient Upstairs Laundry is a must-have for busy families.

Spacious Secondary Bedrooms offer room to grow for everyone in your home.
